AUXEY-DURESSES LA MACABRÉE 2017

Macabrée expresses the spirit of marshes or swamps.

VINTAGE

After a cold and dry start to the year, temperatures rose quickly at the end of March, triggering a rapid resumption of the growing cycle. A few morning frosts impacted part of the vineyard at the end of April but without major damage. The flowering period takes place in a few days at the beginning of June in superb weather. The summer is hot and sunny but delivers some welcome storm rain to help the plant enter the veraison stage. The harvest takes place at the beginning of September with ideal weather and impeccable health quality of the grapes.

VINEYARD

This small "Climat" means the marsh, next to Meursault "Les Luchets" and "Vireuils". The clayey marly soil gives quickly a satisfactory maturity in a rich and dynamic style. Cuvée vinified from three distinct vines with different ages.
