

## BEAUNE CLOS DES MONSNIÈRES 2018

This large plot, in Beaune, forms a semi-circle around the places called "Les Mondes Rondes". It was deforested about sixty years ago. The name of this Climat comes from the old French "Mansion" which means residence/home.

### VINTAGE

A dream vintage which offers generous volumes and superb quality. Water is a major player during the winter which allows the vines to build up their reserves before a particularly hot and dry summer. Favored by a mild spring, flowering took place perfectly with beautiful and numerous clusters. No major climatic incident hampers the growing cycle. The harvest, which was in impeccable health, took place from August 27 to September 15.

### VINEYARD

Vineyards surrounded by walls on 3 sides, with their backs to the Montagne de Beaune and with a magnificent view of the Pommard vineyard and the Côte. Planted in 1986. Quite shallow clay-limestone soils over ironstone gravel enable Chardonnay to ripen slowly.
