

CHASSAGNE-MONTRACHET ROUGE 2019

This large and beautiful slope is fit for the 2 burgundian grape varieties. Pinot noir and Chardonnay are flourishing in this village thanks to the terroir complexity.

VINTAGE

The season begins with a mild and dry winter, leading to an early start to the growing cycle. A significant episode of frost occurred on the Chardonnay on April 5 then on the Pinot Noir on April 14, causing a harvest loss (30% to 50%). A cooling at the beginning of June leads to capricious flowering. This causes runoff and further reduces yields while concentrating the aromas. The hot summer induces water stress in certain places which delays the maturity of the grapes. Because the berries are small and few number, the sugar level in the grapes is naturally high but the lack of water helped maintain good acidity.

VINEYARD

Pinot Noir and Chardonnay have always grown on the territory of Chassagne. Deeper but stony soils are well suited to Pinot Noir with the famous Cordon Royat pruning system. Cuvée blend from our own vineyard: Dessous les Mues and purchases of grapes (Plante Saint Aubin, Voillenots, Goujonne).
Wine-Growing method : Sustainable
Harvest: 100 % manual

Soil : Calcareous clay, silty clay
Production area : 80,28 ha
Altitude : 250-300 m
Average age of vines : 36

VINIFICATION

100% Pinot Noir

At their arrival in our cellar, the grapes are carefully sorted in order to keep only the healthy grapes at an optimal ripeness

100 % destemmed grapes

Alcoholic fermentation in open vats: 20 days

16 months (whose 4 months in stainless steel tank)

100 % oak barrels (whose 30% of new oak)

13,5% vol.

TASTING

Tasting note

A nose dominated by scents of cherry, gooseberry combined with more gamey and spicy notes. A good tannic structure on the palate in its youth which evolves with age towards a very tasteful structure.

Food pairings

Ideal with grilled or roasted lamb and pork.

Serving temperature : 17-19°C

Should be drunk between : 2021-2029
