PULIGNY-MONTRACHET - FRANCE

MEURSAULT 2020

These excellent lands for vines were developed by the monks of Cîteaux from 1098.

VINTAGE

The 2020 vintage is a unique vintage. It is marked by historic precocity from budburst, with an advance of 3 weeks, until the harvest which took place entirely in the month of August. High temperatures associated with a lack of precipitation cause a significant water deficit as well as evapotranspiration phenomena in July and August. The absence of rain, on the other hand, allows the health of the grapes to be very satisfactory. The particular conditions of this vintage generate wonderful balances.

VINEYARD

It is the biggest village of la Côte de Beaune which produces mainly white wines. According to the location of plots, the soil is rich and deep (at the bottom of the hillside) or limestone and marly in the "mountain". Our cuvee comes from a blending of 15 to 20 different but complementary plots in order to obtain rich and elegant wines.
