## PERNAND-VERGELESSES 2020

Pernand means "the source that gets lost" and is presented in the form of an amphitheater.

### VINTAGE

The 2020 vintage is a unique vintage. It is marked by historic precocity from budburst, with an advance of 3 weeks, until the harvest which took place entirely in the month of August. High temperatures associated with a lack of precipitation cause a significant water deficit as well as evapotranspiration phenomena in July and August. The absence of rain, on the other hand, allows the health of the grapes to be very satisfactory. The particular conditions of this vintage generate wonderful balances.

### VINEYARD

Located at the end of the North part of la Butte de Corton, the Pernand-Vergelesses A.O.C produces white wines on clayey limestone soils with crushed stones and the rock. We pick the grapes later than elsewhere. Cuvee vinified from terroirs of Frétille, Sous les Clous, Les Courbettes and Les Pins.
