

PERNAND-VERGELESSES 2018

Pernand means "the vanishing spring" and is presented in the form of an amphitheater.

VINTAGE

A dream vintage which offers generous volumes and superb quality. Water is a major player during the winter which allows the vines to build up their reserves before a particularly hot and dry summer. Favored by a mild spring, flowering took place perfectly with beautiful and numerous clusters. No major climatic incident hampers the growing cycle. The harvest, which was in impeccable health, took place from August 27 to September 15.

VINEYARD

Located at the end of the North part of la Butte de Corton, the Pernand-Vergelesses A.O.C produces white wines on clayey limestone soils with crushed stones and the rock. We pick the grapes later than elsewhere. Cuvee vinified from terroirs of Frétille, Sous les Cloux, Les Combottes and Les Pins.

Wine-Growing method : Sustainable

Harvest: 100 % manual

Soil : Calcareous Clay

Production area : 44 ha
