POMMARD 2018

VINTAGE

A dream vintage which offers generous volumes and superb quality. Water is a major player during the winter which allows the vines to build up their reserves before a particularly hot and dry summer. Favored by a mild spring, flowering took place perfectly with beautiful and numerous clusters. No major climatic incident hampers the growing cycle. The harvest, which was in impeccable health, took place from August 27 to September 15.

VINEYARD

Planted in a terroir with very different natures of soil, we have to choose a style without underestimate the entire and even a little bit rustic character which corresponds to the wines from Pommard when they are young. We chose to produce an elegant wine with the vineyards located mainly in the hillsides (Chanlins, Refères, Grands Poisots, Cras, En moigelot and La Croix Planet). The nature of the soil is mainly brown and limestone. The grapes from several plots are blended in the tanks.
