

## POMMARD 2016

Located in the Côte de Beaune, between Beaune and Volnay, Pommard, its wines and its beautiful residences mark the place where the Côte slopes slightly lean towards Autun.

### VINEYARD

In a terroir with very different natures of soil, we have to choose a style without underestimate the entire and even a little bit rustic character which corresponds to the wines from Pommard when they are young. We chose to produce an elegant wine with the vineyards located mainly in the hillsides (Vignots, Noizons, Chanlins and Vaumuriens). The nature of the soil is mainly brown and limestone. The grapes from several plots are blended in the tanks.
