

PULIGNY-MONTRACHET 2018

Its name derives from "Pul" which means "marais": marsh. Puligny is on small pockets of water which prevent building underground cellars.

VINTAGE

A dream vintage which offers generous volumes and superb quality. Water is a major player during the winter which allows the vines to build up their reserves before a particularly hot and dry summer. Favored by a mild spring, flowering took place perfectly with beautiful and numerous clusters. No major climatic incident hampers the growing cycle. The harvest, which was in impeccable health, took place from August 27 to September 15.

VINEYARD

This A.O.C. is at the bottom of the hill, on a brown soil from the North of Meursault to the South of Chassagne. Stony calcareous clay. The style might be different but it combines elegance and richness. We are lucky to produce a wine that is representing the whole of the different terroirs from this village, thus more than 21.

Wine-Growing method : Sustainable

Harvest: 100 % manual

Soil : Calcareous Clay

Production area : 114,22 ha

Altitude : 230-250 m
