

PULIGNY-MONTRACHET ENSEIGNÈRES 2019

This vineyard is located in a former oak forest (derived from "chasnes" in old French language or "chanières")

VINTAGE

The season begins with a mild and dry winter, leading to an early start to the growing cycle. A significant episode of frost occurred on the Chardonnay on April 5 then on the Pinot Noir on April 14, causing a harvest loss (30% to 50%). A cooling at the beginning of June leads to capricious flowering. This causes runoff and further reduces yields while concentrating the aromas. The hot summer induces water stress in certain places which delays the maturity of the grapes. Because the berries are small and few number, the sugar level in the grapes is naturally high but the lack of water helped maintain good acidity.

VINEYARD

A whole of four plots scattered on the terroir located below les Grands Crus of Bâtard and Bienvenues-Bâtard-Montrachet. This terroir is considered as the richest and the more powerful of its category. Blend of several plots with a brown soil on a limestone flagstone.

Wine-Growing method : Sustainable

Harvest: 100 % manual

Soil : Calcareous Clay

Production area : 9,12 ha

Altitude : 230-250 m

Average age of vines : 46 years

VINIFICATION

100% Chardonnay

At their arrival in our cellar, the grapes are immediately and carefully pressed with a pneumatic press .

100 % crushed grapes

18 months (whose 6 months in stainless steel tank)

100 % oak barrels (whose 20% of new oak)

14,5% vol.

TASTING

Tasting note

A powerful, rich and concentrated Puligny-Montrachet.

Food pairings

Ideal with fleshy fish like monkfish, or blanquette de veau (veal stew)

Serving temperature : 11-13°C

Should be drunk between : 2022-2028
