SANTENAY 2018

VINTAGE

A dream vintage which offers generous volumes and superb quality. Water is a major player during the winter which allows the vines to build up their reserves before a particularly hot and dry summer. Favored by a mild spring, flowering took place perfectly with beautiful and numerous clusters. No major climatic incident hampers the growing cycle. The harvest, which was in impeccable health, took place from August 27 to September 15.

VINEYARD

Located at the South border of la Côte de Beaune, the village of Santenay is very sprawling. The soils are brown and limestone. It is a small blended cuvée from two to three plots on the hillside.
