

MEURSAULT CLOS DE LA VELLE 2018

La Velle means village or town. "Sous la Velle" is the land immediately below the village.

VINTAGE

A dream vintage which offers generous volumes and superb quality. Water is a major player during the winter which allows the vines to build up their reserves before a particularly hot and dry summer. Favored by a mild spring, flowering took place perfectly with beautiful and numerous clusters. No major climatic incident hampers the growing cycle. The harvest, which was in impeccable health, took place from August 27 to September 15.

VINEYARD

Clos de la Velle is in the upper part of Sous la Velle, adjacent to Château de la Velle, a magnificent 13th century property. Deep, rich top soils over a rocky base enable good year-round drainage.

Wine-Growing method : Sustainable

Harvest: 100 % manual

Soil : Calcareous Clay

Production area : 1,05 ha

Altitude : 235-240 m. Situation de bas de côteau.
