

## PULIGNY-MONTRACHET LES LEVRONS 2020

Puligny derives from Pulynie (village on water). In the 14th Century, a Levron referred to a haunt for hares!

### VINTAGE

The 2020 vintage is a unique vintage. It is marked by historic precocity from budburst, with an advance of 3 weeks, until the harvest which took place entirely in the month of August. High temperatures associated with a lack of precipitation cause a significant water deficit as well as evapotranspiration phenomena in July and August. The absence of rain, on the other hand, allows the health of the grapes to be very satisfactory. The particular conditions of this vintage generate wonderful balances.

### VINEYARD

Several plots located down the hill, next to the 1er Crus "les Perrières" and "les Referts". East exposure. Poor clay-limestone soils so shallow that bedrock is visible in places.
