PULIGNY-MONTRACHET - FRANCE

CHASSAGNE-MONTRACHET 1ER CRU ABBAYE DE MORGEOT - RÉCOLTE DU DOMAINE 2017

It derives from the name of the hamlet near Chassagne-Montrachet.

VINTAGE

After a cold and dry start to the year, temperatures rose quickly at the end of March, triggering a rapid resumption of the growing cycle. A few morning frosts impacted part of the vineyard at the end of April but without major damage. The flowering period takes place in a few days at the beginning of June in superb weather. The summer is hot and sunny but delivers some welcome storm rain to help the plant enter the veraison stage. The harvest takes place at the beginning of September with ideal weather and impeccable health quality of the grapes.

VINEYARD

Blending from two plots from our Domain, but also from two contract of grapes bought from neighbors. The A.O.C called in the past "Clos de Morgeot" is located below the road to go from Chassagne-Montrachet to Santenay. The soil is deeper and more clayey than elsewhere but there is limestone oolithes in shape.
