VINTAGE

Until the last day, the 2021 wine year is trying. Marked by severe episodes of frost between April 5 and 9 which significantly reduced the harvest, the vines awakening was difficult, and the months of April and May were rainy and cool. Until the harvest, which began on September 20, the brutal weather changes set their tempo: responsiveness and constant attention are necessary. Fortunately, the lull in June allowed the flowering to take place without incident and veraison was favored by good conditions which set in from mid-August.

VINEYARD

Le Clos Saint Marc (1.70 ha) is a part of the A.O.C Chassagne-Montrachet 1er Cru "Les Vergers". This vine from our Domaine was used as a garden by the locals in the past . With an exposure to North-East, the vine lies on the rock from Chassagne-Montrachet, the soil is red and stony, ideal for Chardonnay.
