VINTAGE

The 2020 vintage is a unique vintage. It is marked by historic precocity from budburst, with an advance of 3 weeks, until the harvest which took place entirely in the month of August. High temperatures associated with a lack of precipitation cause a significant water deficit as well as evapotranspiration phenomena in July and August. The absence of rain, on the other hand, allows the health of the grapes to be very satisfactory. The particular conditions of this vintage generate wonderful balances.

VINEYARD

Le Clos Saint Marc (1.70 ha) is a part of the A.O.C Chassagne-Montrachet 1er Cru "Les Vergers". This vine from our Domaine was used as a garden by the locals in the past. With an exposure to North-East, the vine lies on the rock from Chassagne-Montrachet, the soil is red and stony, ideal for Chardonnay.
