

PERNAND-VERGELESSES 1^{ER} CRU SOUS FRÉTILLE 2020

Sous Frétille would come from "below the small forest". Replanted as a village appellation in the 1970s / 1980s, it was considered one of the best wines. It was classified as Premier Cru in 2001.

VINTAGE

The 2020 vintage is a unique vintage. It is marked by historic precocity from budburst, with an advance of 3 weeks, until the harvest which took place entirely in the month of August. High temperatures associated with a lack of precipitation cause a significant water deficit as well as evapotranspiration phenomena in July and August. The absence of rain, on the other hand, allows the health of the grapes to be very satisfactory. The particular conditions of this vintage generate wonderful balances.

VINEYARD

Sous Frétille is located a stone's throw from Corton Charlemagne. The soils are made up of fairly shallow and stony limestone marls, ideal conditions for Chardonnay. Control method: Integrated control (HVE level 3), surface tillage because of the risk of erosion. Manual harvest: 100%
Soil : Stony limestone marls
Production area : 6,05 ha
Altitude : 320-380 m
Average age of vines : 32 years

TASTING

Tasting note

Strong personality for this wine which expresses both all the subtleties of limestone (candied lemon, bergamot, saline and iodine), but also notes of white flowers and fruits (especially citrus).

Food pairings

It is able to accompany sea fish (Saint-Pierre, catfish, Monkfish), but also river fish (pike-perch, pike). Can sometimes take an hour in a carafe.

Serving temperature : 10-12°C

Should be drunk between : 2022-2028
