

PULIGNY-MONTRACHET 1ER CRU LES FOLATIÈRES - RÉCOLTE DU DOMAINE 2017

The name of the terroir is derived from "follots" -will-o'-the-wisps- which were active in humid places, often foggy.

VINTAGE

After a cold and dry start to the year, temperatures rose quickly at the end of March, triggering a rapid resumption of the growing cycle. A few morning frosts impacted part of the vineyard at the end of April but without major damage. The flowering period takes place in a few days at the beginning of June in superb weather. The summer is hot and sunny but delivers some welcome storm rain to help the plant enter the veraison stage. The harvest takes place at the beginning of September with ideal weather and impeccable health quality of the grapes.

VINEYARD

Vineyard located in the upper part of les Folatières, known as les "Peux Bois". It is a former Domaine Leflaive property.

Vines planted in 1983

Wine-Growing method : HVE High Environmental Value, level 3

Harvest: 100 % manual

Soil : Calcareous Clay
