

PULIGNY-MONTRACHET 1ER CRU TRUFFIÈRES 2018

In the past, the ground was planted with truffle trees.

VINTAGE

A dream vintage which offers generous volumes and superb quality. Water is a major player during the winter which allows the vines to build up their reserves before a particularly hot and dry summer. Favored by a mild spring, flowering took place perfectly with beautiful and numerous clusters. No major climatic incident hampers the growing cycle. The harvest, which was in impeccable health, took place from August 27 to September 15.

VINEYARD

Area favorable to the grey truffles from Burgundy. The soil is shallow with limestone, but also very poor. Wine of great distinction, very mineral with flinty notes. Only 600 to 700 bottles.

Purchase of grapes, harvest by us.

Vineyard planted in 1971.
