

Olivier Leflaive

PULIGNY-MONTRACHET - FRANCE

SAINT-AUBIN 1ER CRU CHARMOIS 2017

In Burgundy, this word refers to some old common fields cultivated and lain fallow again, or planted with hornbeam trees.

VINTAGE

After a cold and dry start to the year, temperatures rose quickly at the end of March, triggering a rapid resumption of the growing cycle. A few morning frosts impacted part of the vineyard at the end of April but without major damage. The flowering period takes place in a few days at the beginning of June in superb weather. The summer is hot and sunny but delivers some welcome storm rain to help the plant enter the veraison stage. The harvest takes place at the beginning of September with ideal weather and impeccable health quality of the grapes.

VINEYARD

Located on the side of Chassagne-Montrachet, this vineyard grows on white and very calcareous soils. The steep slope gives later maturity. It has become a very famous terroir for the last fifteen years.

Wine-Growing method : Sustainable

Harvest: 100 % manual

Soil : Calcareous Clay

Production area : 15,09 ha

Altitude : 250-300 m

Average age of vines : 36 years

VINIFICATION

100% Chardonnay
