CORTON GRAND CRU 2019

VINTAGE

The season begins with a mild and dry winter, leading to an early start to the growing cycle. A significant episode of frost occurred on the Chardonnay on April 5 then on the Pinot Noir on April 14, causing a harvest loss (30% to 50%). A cooling at the beginning of June leads to capricious flowering. This causes runoff and further reduces yields while concentrating the aromas. The hot summer induces water stress in certain places which delays the maturity of the grapes. Because the berries are small and few number, the sugar level in the grapes is naturally high but the lack of water helped maintain good acidity.

VINEYARD

The hill of Corton has a flared tapered shape. The top of the hill is a mixture of limestone and marl, the environment contains more colluvium and rocky elements.

Wine-Growing method : Sustainable

Harvest: 100 % manual

Soil : The bottom is composed of sediments from deposits of old rivers.

Production area : 160,19 ha (Chardonnay et Pinot Noir)

Average age of vines : 50

VINIFICATION

100% Pinot Noir

At their arrival in our cellar, the grapes are carefully sorted in order to keep only the healthy grapes at an optimal ripeness

100 % destemmed grapes

Fining: no

Filtration : yes

Alcoholic fermentation in open vats: 19 days

18 months (whose 5 months in stainless steel tank) 100 % oak barrels (whose 40% of new oak)

13,5% vol.

TASTING

Serving temperature : 17-19°C
