

CORTON GRAND CRU 2018

The name Corton means Courtyard, farm, (Corte or Curti).

VINTAGE

A dream vintage which offers generous volumes and superb quality. Water is a major player during the winter which allows the vines to build up their reserves before a particularly hot and dry summer. Favored by a mild spring, flowering took place perfectly with beautiful and numerous clusters. No major climatic incident hampers the growing cycle. The harvest, which was in impeccable health, took place from August 27 to September 15.

VINEYARD

The hill of Corton has a flared tapered shape. The top of the hill is a mixture of limestone and marls, mid-slope contains more colluvium and rocky elements. The bottom is composed of sediments from deposits of ancient riverbeds.

Wine-Growing method : Sustainable
