PULIGNY-MONTRACHET - FRANCE

MONTAGNY 1ER CRU BONNEVEAUX 2022

Val and Vaux are words from ancient French which have retained the literal meaning of the Latin word Vallis "valley" from which they come. They also retained the feminine gender often used for place names.

VINTAGE

The 2022 vintage brought serenity back to the vineyard with a healthy harvest and correct volumes. With rainfall accumulations far from excessive, the year 2022 was marked by average temperatures higher than seasonal norms and rainfall deficits from the start of the vine's vegetative cycle. At the beginning of April, episodes of frost will recall the terrible nights of April 6 and 7 of 2021, but fortunately with an impact beyond measure. The year 2022 is the year of all records for sunshine with the equivalent of an additional month of July.
