

MONTAGNY 1^{ER} CRU GARCHÈRES 2022

This plot takes its name from Verchère which means in old French "land adjoining the farm, fertile soil or cultivated enclosure"

VINTAGE

The 2022 vintage brought serenity back to the vineyard with a healthy harvest and correct volumes. With rainfall accumulations far from excessive, the year 2022 was marked by average temperatures higher than seasonal norms and rainfall deficits from the start of the vine's vegetative cycle. At the beginning of April, episodes of frost will recall the terrible nights of April 6 and 7 of 2021, but fortunately with an impact beyond measure. The year 2022 is the year of all records for sunshine with the equivalent of an additional month of July.

VINEYARD

The Garchères, on the right, going up to Montagny, are very steep, well exposed to the South. The soil is stony and shallow (30 to 40 cm).

Wine-Growing method : sustainable

Manual harvest: 100%

Soil : Calcareous limestone, marls

Production area : 2,1 ha

Altitude : 330-350m

Average age of vines : 25

VINIFICATION

100% Chardonnay

100% whole grapes

24h static settling

Alcoholic and malolactic fermentations in oak barrels

12 months (whose 4 months in stainless steel tank)
