

## PULIGNY-MONTRACHET 2022

Its name derives from "Pul" which means "marais": marsh. Puligny is built on small pockets of water which prevent digging underground cellars.

### VINTAGE

The 2022 vintage brought serenity back to the vineyard with a healthy harvest and correct volumes. With rainfall accumulations far from excessive, the year 2022 was marked by average temperatures higher than seasonal norms and rainfall deficits from the start of the vine's vegetative cycle. At the beginning of April, episodes of frost will recall the terrible nights of April 6 and 7 of 2021, but fortunately with an impact beyond measure. The year 2022 is the year of all records for sunshine with the equivalent of an additional month of July.

### VINEYARD

This A.O.C. is at the bottom of the hill, on a brown soil from the North of Meursault to the South of Chassagne-Montrachet. Stony calcareous clay. The style might be different but it combines elegance and richness. We are lucky to produce a wine that is representing the whole of the different terroirs from this village, thus more than 21.
