

## PERNAND-VERGELESSES ROUGE 2022

Pernand means "the vanishing spring" and is presented in the form of an amphitheater.

### VINTAGE

The 2022 vintage brought serenity back to the vineyard with a healthy harvest and correct volumes. With rainfall accumulations far from excessive, the year 2022 was marked by average temperatures higher than seasonal norms and rainfall deficits from the start of the vine's vegetative cycle. At the beginning of April, episodes of frost will recall the terrible nights of April 6 and 7 of 2021, but fortunately with an impact beyond measure. The year 2022 is the year of all records for sunshine with the equivalent of an additional month of July.

### VINEYARD

Pinot Noir and Chardonnay have grown side by side in this village for a long time. The soils reserved for Pinot Noir are located at the bottom and middle of the hillside. The soils are quite red, rich in ferruginous clay but also in silica residues and limestone with flint. Cuvée produced on the terroirs of Les Pins and Sous les Clous.
