PERNAND-VERGELESSES 1ER CRU SOUS FRÉVILLE 2023

Sous Fréville would come from "below the small forest". Replanted as a village appellation in the 1970s / 1980s, it was considered one of the best wine. It was classified as Premier Cru in 2001.

VINTAGE

A demanding vintage. 2023 is now seen as the hottest year with the temperatures above seasonal averages. This vintage is also characterized by significant water deficit during the growing season and strong disease pressure. We also noticed strong heterogeneities in maturity with dynamics that are difficult to anticipate. The harvest was generous, allowing us to carry out a thorough sorting, especially on the Pinot Noir.

VINEYARD

This Sous Fréville terroir is located at the top of the hillside in the village of Pernand-Vergelesses, under the protection of the Virgin "Notre Dame de Bonne Espérance" which overlooks it (a quiet place where walkers go with pleasure in good weather to admire the panorama). Sous Fréville is located a stone's throw from Corton-Charlemagne.
