

VOLNAY 1ER CRU CLOS DES ANGLES 2022

Volnay 1er Cru "Clos des Angles" is a vineyard located at the corner of two tracks.

VINTAGE

The 2022 vintage brought serenity back to the vineyard with a healthy harvest and correct volumes. With rainfall accumulations far from excessive, the year 2022 was marked by average temperatures higher than seasonal norms and rainfall deficits from the start of the vine's vegetative cycle. At the beginning of April, episodes of frost will recall the terrible nights of April 6 and 7 of 2021, but fortunately with an impact beyond measure. The year 2022 is the year of all records for sunshine with the equivalent of an additional month of July.

VINEYARD

Located on the higher level, this well-exposed to South-East climat is generally early during the harvest. The brown limestone sloped soil is shallow. The style of the wine is fairly full-bodied, like Pommard, the neighbouring village.
