PULIGNY-MONTRACHET - FRANCE

PULIGNY-MONTRACHET 1ER CRU LES PUCELLES - RÉCOLTE DU DOMAINE 2023

In the past, the Lord of Puligny-Montrachet had given this vineyard to his daughters.

VINTAGE

A demanding vintage. 2023 is now seen as the hottest year with the temperatures above seasonal averages. This vintage is also characterized by significant water deficit during the growing season and strong disease pressure. We also noticed strong heterogeneities in maturity with dynamics that are difficult to anticipate. The harvest was generous, allowing us to carry out a thorough sorting, especially on the Pinot Noir.

VINEYARD

A single vine belonged to our Domaine in 1955. Which other plot can better explain the terroir of Puligny-Montrachet ? The soil is light, rocky and little water-springs protect it during summer. It's a very sophisticated wine.
