

## SANTENAY 1ER CRU PASSETEMPS 2023

The noun "Passtime" is here associated with the verb passer (to spend). A hobby is by definition something to spend time pleasantly. This place name has a favorable connotation and alludes to the fact that working this land was a good way to spend a good time.

### VINTAGE

A demanding vintage. 2023 is now seen as the hottest year with the temperatures above seasonal averages. This vintage is also characterized by significant water deficit during the growing season and strong disease pressure. We also noticed strong heterogeneities in maturity with dynamics that are difficult to anticipate. The harvest was generous, allowing us to carry out a thorough sorting, especially on the Pinot Noir.
