CHABLIS 1ER CRU MONTÉE DE TONNERRE 2022

This vineyard is near a path which goes up towards the town of Tonnerre.

VINTAGE

The 2022 vintage brought serenity back to the vineyard with a healthy harvest and correct volumes. With rainfall accumulations far from excessive, the year 2022 was marked by average temperatures higher than seasonal norms and rainfall deficits from the start of the vine's vegetative cycle. At the beginning of April, episodes of frost will recall the terrible nights of April 6 and 7 of 2021, but fortunately with an impact beyond measure. The year 2022 is the year of all records for sunshine with the equivalent of an additional month of July.

VINEYARD

Probably rightly, the most famous Chablis 1ers Crus. Located on the right bank of Serein and in the continuation of the Grands Crus, this terroir is on a "Kimméridgien" limestone. It produces wines a little austere in their youth but their elegant and racy development charms the taster. Our cuvee comes from the blending of grapes of Montée de Tonnerre and the area of Chapelot.
