PULIGNY-MONTRACHET 1ER CRU LES PUCELLES - RÉCOLTE DU DOMAINE 2024

In the past, the Lord of Puligny-Montrachet had given this vineyard to his daughters.

VINTAGE

From tears of rain to tears of wine, a year as trying as it is moving! 2024 will be remembered... Marked by record rainfall and omnipresent humidity, it put winegrowers to the test. Despite vigilance and hard work in the vines, mildew took over, strongly impacting yields. Significant disparities appeared between terroirs: more draining soils were better able to resist disease pressure. Fortunately, after harvest, the quality of the wines came as a nice surprise. Freshness and radiance are there, offering a precious reward after a season of challenges.
