VOLNAY 1ER CRU CHAMPANS 2024

The name "Champans" probably comes from "Champ en Pente (sloping field)" or "sur une pente (slope)".

VINTAGE

From tears of rain to tears of wine, a year as trying as it is moving! 2024 will be remembered... Marked by record rainfall and omnipresent humidity, it put winegrowers to the test. Despite vigilance and hard work in the vines, mildew took over, strongly impacting yields. Significant disparities appeared between terroirs: more draining soils were better able to resist disease pressure. Fortunately, after harvest, the quality of the wines came as a nice surprise. Freshness and radiance are there, offering a precious reward after a season of challenges.

VINEYARD

Terroir located mid-slope and sheltered from the wind by the village. Limestone brown soil with relatively little clay, sitting on a pearly slab. The slight slope and the gravel cover allow good drainage and uniform maturity of the grapes. Great value terroir.
