

## BÂTARD-MONTRACHET GRAND CRU 2019

It is told the lord of Puligny-Montrachet shared his estate among his children: The eldest son or "Knight" (Chevalier), his daughters or "Virgins" (Pucelles) and "Bastard" (Bâtard). Each had his hand and three climates have kept their names Chevalier-Montrachet, Puligny-Montrachet Les Pucelles and Bâtard-Montrachet.

### VINTAGE

The season begins with a mild and dry winter, leading to an early start to the growing cycle. A significant episode of frost occurred on the Chardonnay on April 5 then on the Pinot Noir on April 14, causing a harvest loss (30% to 50%). A cooling at the beginning of June leads to capricious flowering. This causes runoff and further reduces yields while concentrating the aromas. The hot summer induces water stress in certain places which delays the maturity of the grapes. Because the berries are small and few number, the sugar level in the grapes is naturally high but the lack of water helped maintain good acidity.

### VINEYARD

Blending of vineyards located on the villages of Puligny-Montrachet and Chassagne-Montrachet.

Wine-Growing method : sustainable

Harvest: 100 % manual

Soil : Calcareous clay

Production area : 11,86 ha

Altitude : 230-250 m

Average age of vines : 46 years

### VINIFICATION

100% Chardonnay

At their arrival in our cellar, the grapes are immediately and carefully pressed with a pneumatic press .

100% crushed grapes

18 months (whose 5 months in stainless steel tank)

100 % oak barrels (whose 30% of new oak)

14,5% vol.

### TASTING

#### Tasting note

Wine of powerful and generous character. The nose has notes of lemon but also notes of butter and vanilla . The palate is fairly tensed with acidity. The wine is fat with maturity and fills the mouth with flavor. It needs time to be tasted in its peak. It may deserve to be placed in carafe two hours before.

#### Food pairings

Perfect with Bresse fattened chicken with a creamy morel sauce.

**Serving temperature :** 12-14°C

**Should be drunk between :** 2024-2029
