

BÂTARD-MONTRACHET GRAND CRU 2022

It is told the lord of Puligny-Montrachet shared his estate among his children: The eldest son or "Knight" (Chevalier), his daughters or "Virgins" (Pucelles) and "Bastard" (Bâtard). Each had his hand and three climates have kept their names Chevalier-Montrachet, Puligny-Montrachet Les Pucelles and Bâtard-Montrachet.

VINTAGE

The 2022 vintage brought serenity back to the vineyard with a healthy harvest and correct volumes. With rainfall accumulations far from excessive, the year 2022 was marked by average temperatures higher than seasonal norms and rainfall deficits from the start of the vine's vegetative cycle. At the beginning of April, episodes of frost will recall the terrible nights of April 6 and 7 of 2021, but fortunately with an impact beyond measure. The year 2022 is the year of all records for sunshine with the equivalent of an additional month of July.
